

Doorbell Does Not Work

In order to serve you best we would like you to try a the following before we call a serviceman out and have a service fee to either the owner or you... In many cases we can resolve this problem through the items below and if not, it will help us to diagnose and make sure the serviceman is prepared for your issue, so you can be back in service sooner.

- Remove button and touch two wires together to see if the bell works. If it does this means that the button is bad.
