

Bugs

In order to serve you best we would like you to try a the following before we call a serviceman out and have a service fee to either the owner or you... In many cases we can resolve this problem through the items below and if not, it will help us to diagnose and make sure the serviceman is prepared for your issue, so you can be back in service sooner.

Pest extermination with no obvious entry points through the exterior, including but not limited to: bed bugs, bees, mice, flies, gnats, and stink bugs will be tenant responsibility to exterminate after first 30 days of lease term, if tenant so chooses.
