

Leaking Faucet

In order to serve you best we would like you to try a the following before we call a serviceman out and have a service fee to either the owner or you... In many cases we can resolve this problem through the items below and if not, it will help us to diagnose and make sure the serviceman is prepared for your issue, so you can be back in service sooner.

- If the faucet is leaking into the bottom of the vanity, please place a bucket and towels to avoid vanity damage
- If possible, turn the water to the fixture off until we can get someone out to fix it.
